Four ACES

Don't let their youthful appearance fool you — these footballers are veterans!

Glen Height, Wayne Taylor, Mark Schembri and Steven Crane (pictured left to right) have played 197 games between them, even though they are only 10 years old.

The boys all started with Altona Centrals in the West Suburban League when they were seven, although this is their first year in the under 10s.

Previously they had to play in the under 11s, as there was no under 10 competition.

Their experience in the under 11s seems to have stood them in good stead as their side hasn't lost a game this year and is on top of the ladder.

Only two goals have been kicked against the team so far this season, and in one game Cen-

trals booted 31.17 while their opponents failed to score.

For the record: Glen, the full-back, has played 43 games; Wayne, a winger, 51; Mark, half-back flanker and captain of the side, 53; Steven, a ruckman, 49.

Steven was the competition's best and fairest last year.

Council backs Rose Street no-flat move

Home-owning residents of Rose Street, Altona, have won the council's support against further flats development in their street.

A deputation of six residents met the council's general purposes committee to put their case against a block of three flats at 42 Rose Street.

Mr. Roger Webb and Mr. John Bacon were appointed ratepayers' spokesmen for the meeting.

Mr. Webb said a check on the street's flats by residents revealed 23 in the area, and not 20, as the council's planning officer had reported.

He said the extra three properties were flats or bungalows made into self-contained units without the knowledge of the council.

Mr. Webb gave council the addresses.

He said residents were strongly opposed to any further flats in the area, because they created problems, including those with parking and water pressure.

Mr. Webb said that at the last appeal to the Town Planning Appeals Tribunal from a flats developer in Rose Street, the tribunal said the street had almost reached saturation point with flats.

Making the determination to allow flats at 25 Rose Street, the tribunal reduced the number of units from four to three.

Mr. Bacon outlined the history of objections to flats in the street, and said that in addition to increased parking problems, "it is apparent that the number of flats has also resulted in poor water pressure."

The council also heard from Mr. R. Paladino, who wants to build the flats at 42 Rose Street, and his agent, Mr. R. Long.

Mr. Long told the meeting the flats were designed to be an asset to the area, and parking space had been provided for flat residents and two visitors.

He said 45 per cent of the total area would be landscaped.

If the site was not used

for flats, it would be subdivided into two house sites, he said.

"As a result, there would probably be an increased number of cars to that envisaged under flat development."

The subdivision is a strata development providing for three bedroom units.

After hearing both sides of the question, Cr. Les Crofts seconded by Cr. Alan Shaw moved that the council refuse Mr. Paladino's application.

The refusal was on the grounds that:

- The proposed development will create an overdevelopment and will prejudice the amenity of the area.

- The proposed development will have further effects on existing drainage problems.

Council decided that in line with its policy, legal representation be engaged to present any case taken to the Town Planning Appeals Tribunal.

\$23 from fun run

A "fun run" held on Altona's Operation Recreation day during March raised \$23 for the mayor's appeal.

The appeal, run during the mayoral term of office, raises money for a charity or charities designated by the mayor.

This year, most money will go to the Salvation Army Hostel for the aged being built in McIntyre Drive.

Operation Recreation will be held again next year, and improvements on this year's effort will include music from bands, better car parking and increased stage activities.

City details given in Greek

Altona Council will advertise its various services to the community in a Greek booklet at a cost of \$600.

The decision follows an approach from the Greek Orthodox Community of Melbourne, which will issue the booklet in August.

The community wrote to council to say that 1977 marks the 80th anniversary of the foundation of Melbourne's Greek community.

Melbourne's 150,000 Greeks intend celebrating the anniversary during August with special functions "highlighting the part the Greek community has played in the development of Victoria."

One of the major projects in August will be the souvenir booklet which the community

believes, "will find its way to every Greek home in Australia, and to many overseas."

Messages in the book will include those from the Governor of Victoria, Sir Henry Winneke, Mr. Fraser, Mr. Whitlam, and the Minister for Immigration Mr. Mackellar.

The community said that because of Altona's large concentration of

Greek families, the council was being invited to include a message of between 250-300 words.

The council could also advertise its services in Greek at a cost of \$1000 for a full page or \$600 for a half page.

Crs. Les Crofts and Bill Sommers moved that a message of 250-300 words be forwarded to the general secretary of the Greek Orthodox Community and that the council advertise at a cost of \$600.

Illegal migrants 'live in fear'

Hundreds of illegal migrants in the western suburbs are living in fear of deportation, migrant community worker, Mr. Carmelo Darmanin, believes.

Mr. Darmanin is community development officer for ethnic communities in the west and secretary of the Western Region Community Relations Committee.

A meeting of Melbourne's ethnic community leaders in Footscray last week, convened by Mr. Darmanin, agreed to call on the Minister of Immigration and Ethnic Affairs, Mr. MacKellar, to set up an independent tribunal to hear appeals against deportation.

The migrant leaders believe the appeal system would reassure migrant communities that deportations were carried out "because of criminal activity and not because of racial, political or religious prejudice."

"Our main concern is to highlight the fact that the Minister for Immigration is the sole referee in deportation cases," Mr. Darmanin said yesterday.

"We have this double standard situation where the Minister talks about opening the doors to 100,000 migrants while thousands of illegal migrants live in fear of deportation."

Chairman of the Australian Greek Welfare Society, Mr. George Pappadopoulos, told last week's press conference meeting: "We want to alleviate the fear so many migrants have that the next knock on their door will be a Commonwealth policeman."

"There has been a clear endeavor in Canberra to reintroduce migration and yet we have a reservoir of 48,000 migrants seeking amnesty from deportation."

Mr. Pappadopoulos categorised migrants who overstayed their visas in Australia as refugees, people in search of work and people seeking family reunion.

An Italian community leader claimed that some migrants were misled by airline agents in Italy into believing that they would have no problems extending their visas or obtaining naturalisation in Australia.

Mr. Darmanin quoted the case of a "young Italian friend who works in the western suburbs."

"He came here five

months ago to visit his Australian girlfriend but their relationship has terminated. He is a qualified turner and fitter and yet when he applied for normal immigration he was told to leave," Mr. Darmanin said.

A woman in attendance at the meeting told reporters: "The Maribyrnong Detention Centre is always full of people who have been picked up by Commonwealth Police."

The meeting was told that 25 per cent of Australia's population is migrant or migrant-born and that the percentage will eventually be 33 per cent.

Altona teacher back from Canada

Mr. David Latch, art teacher at Altona North High School has returned after 12 months exchange teaching in Canada.

He was guest speaker at the last meeting of Altona Council. Mr. Latch, who lives

in Forster Street, Williamstown, talked about education and life in Vancouver to councillors and members of the gallery at supper after the meeting.

He said students under the North American education system are not permitted to "take life easy".

"They have to keep up, unless they are in a remedial section because if they don't keep up they won't pass. They won't get the cer-

tificate they need to get a job.

"Schools are financed by the State and local governments, and are not short of money.

"Parents are directly supporting their children's schools through rates, and they see to it that their children get a good education."

"Each school has its own board of management, and this board is responsible for employing the teachers."

Mr. Latch said during his year in Vancouver, he was paid his Aus-

tralian wage by the Victorian Government. The Canadian teachers earned \$24,000 a year.

● In the picture Mr Latch points out Vancouver Island to form two students: from left: Kerrie Olds, Susan Jachno, Pauline Cachia, Anna Ranalli and Mariella Grant.

Reserve named for late Pat Burns

An Altona parkland will be named after the late Mr. Pat Burns.

Mr. Burns, who died at the age of 79 on April 24, was mayor of Altona during 1969-70.

He was elected to council in August, 1967, and retired in August, 1973.

Altona councillors have decided to name part of the Altona Sports Park for Mr. Burns.

The P. A. Burns Reserve will be bounded by Crown Road, the Pines Scout Camp, the plantation on the east and by the foreshore to the south.

During Cr. Burns' six years with Altona Council he held the cultural activities portfolio, and was involved in the formation of chess clubs, musical and cultural groups in the city.

As a member of the Good Neighbor Council,

● The late Mr Pat Burns

from 1955, he played a part in the assimilation of many migrants in Altona.

Before moving to Altona, Mr. Burns was a councillor with the Shire of Fern Tree Gully, serving as shire president in 1958-59.

Braw Street planned with residents

Reconstruction plans for Braw Street, Williamstown, would be drawn up in consultation with the residents, Cr. Graham Proctor said yesterday.

The street will be re-made during August and September at a cost of about \$32,000.

Braw Street is one of the oldest streets in the city and is on Williamstown council's programme of street modernisation.

Several proposals for the updating of the street will be submitted to residents for final consideration and approval at a public meeting tomorrow (Thursday).

The north ward councillors — Cr. Proctor, Cr. Ron Dawes and Cr. Simon West — will meet the residents to discuss the plans.

"However, we are keen to minimise costs of projects to ensure a maximum benefit for each dollar spent for ratepayers," Cr. Proctor said.

"An examination of the ward works reveals that more than half the money spent goes on capital works, rather than maintenance."

"Loan funds, which will be used on Braw Street, are the cream on the coffee, a bonus."

North ward loan funds available total \$90,000, and the three councillors have the balance of this sum under review.

Cr. Proctor said the total ward allocation from council revenue is as follows: New channels, \$48,000; new footpaths, \$32,170; special rubbish collections, \$20,000; special projects, \$14,000 maintenance, \$84,363.

North ward is the only city ward with a consistent programme of twice-yearly special rubbish collections.

The first collection of

the year has already begun and residents should gather their dry rubbish for the skips.

The collection began in John Street on April 29, and will finish in Spotswood on June 25.

"Special projects in the ward this year will include sprinklers for the Newport overpass area and Coronation Reserve, playground equipment in Spotswood, and the resealing of John Street," Cr. Proctor said.

"As well, an additional \$3000 will be spent to provide a barbecue for Greenwich Reserve. Inquiries are also under way for the acquisition of recreational land in Spotswood."

Spinning at Newport

Weekly spinning demonstrations have been introduced at Newport Westgate Church's drop-in centre, in Woods Street.

The demonstrations are between 10 am and 2 pm on Wednesdays and are open to anyone.

A demonstration in mouth-to-mouth resuscitation will be given at the centre on June 20.

No blast complaint says board

The Board of Works has not received any complaints about damage to houses from sewerage works blasting in Altona Meadows.

The Altona Meadows Progress Association told Altona council last

month that blasting in Victoria Street was thought to be damaging houses.

Mr. P. J. Newbold, secretary of the association, told councillors that residents had reported damage to the walls and slab base floors of their homes, and suggested that the blasting could be the cause.

He asked the council to investigate whether regulation explosive charges were being used by the board in its sewerage works in the area.

Mr. Ralph Simmons, Altona's city engineer, told the association that the board's work was nothing to do with the council.

He suggested members get in touch with

the board itself to register complaints, and ask questions.

However, Mr. Robert McQueen, a spokesman for the board, said yesterday that no complaints about blasting operations have been received.

He said the work in Victoria Street had required excavation to a depth of 40 ft., and the job was completed five weeks ago.

"We've had no complaints about the blasting which would have been policed by the contractors we employed to do the work," Mr. McQueen said.

He said the contractors were now working in Queen Street, and excavating at a depth of 12 ft.

Discover Altona's trees: Mr. Jurga

To The Editor

SIR — Altona celebrated its 20th anniversary as a municipality on Sunday, and to mark the occasion I would like readers to discover the parks, gardens and trees provided by the council.

I use the word "discover", because we take so many things for granted, and don't really notice them until they are pointed out to us.

We tend to forget many of the functions of a city administration, including one of the more pleasant jobs, the development of parks and gardens.

For his part in the selection, location and planting of the trees and shrubs in Altona, appreciation must go to Mr. N. K. (Norm) Boyd, a man of vision.

His expertise in his field is evident in the results of his work.

Not so long ago Altona was rather like a huge canvas waiting for an artist to express his handiwork.

It was a vastness; empty of flora. Now that emptiness has gone and we live

amid the trees and shrubs planted by the city.

Mr. Boyd spent many weekends and much of his leisure time studying coastal areas to see the effect of salt on trees. He also studied the soil.

The Agriculture Department told him he would be looking God in the face if he tried to grow trees here, where nature had not grown them.

However, Mr. Boyd's experiments found that some native trees would not only grow here, but liked Altona's conditions.

He found that the trees had to be planted in sandy loam brought from the east of Melbourne. Mr. Boyd has said that it is the council's aim to have a tree in front of every Altona house.

Each year the parks and gardens workers visit every street to replace any trees missing.

Altona Council spends about \$2000 each year on street trees.

On waking each day, I would like people to go out into the streets to enjoy the various colors of the tree foliage, the scent of the eucalypts, and the freshness that inspires the soul.

I recall the story of a man in France who stopped a mining company from cutting down trees at the back of his house.

He went to the length of kidnapping the company director to negotiate a reprieve for the trees.

He remarked: "I did it for my family—I built them a house, not a coffin."

Let us therefore pay a tribute to the employees of the parks and gardens department in Altona as a mark of our appreciation.

Cleghorn Avenue, Altona East.

Big water booster

The biggest storage tank to be constructed by the Board of Works will boost water supplies to the western suburbs.

The tank is being built at Sydenham and should be ready for use by April, 1978.

It will have a total capacity of 46.5 megalitres (about 11 million gallons).

Its diameter will be 74 metres and it will be 14.1 metres high.

The storage tank will be fed through an 48 kilometre pipeline from the Greenvale Reservoir.

Another five-kilometre long pipeline is being built to join the Sydenham tank with two existing tanks in St. Albans.

The entire pipeline is expected to be ready by the end of the year.

Bonfires mark jubilee year

The Scout Association of Australia will celebrate the Queen's Silver Jubilee this year by the simultaneous lighting of bonfires, in which Gellibrand District scouts will take part.

Williamstown and Newport scouts will have their bonfires at Battery Reserve, Morris Street, Williamstown at 8.30 pm on Saturday — the same time as scouts throughout the eastern states.

The Altona bonfires will be at Cresser Reserve, near the Yacht Club. Guides will take part also and the public is invited.

NEW SCOUTS
Seven 3rd Altona Cub Scouts advanced into the Scout Troop at a going-up ceremony on Sunday.

The ceremony was at Brimbank Park, Keilor and several families arrived early and had a barbecue lunch.

After a short ceremony in which the cubs said goodbye to their friends in the pack, they were carried by flying fox to where the troop was waiting and introduced to the scout leader by the group leader.

The new scouts are Philip Menzies, who obtained the most awards in the cubs, Robert Colla, Murray Grey, Peter Janka, Brenden Mackay, Trevor Mayne and Drew Nicholas.

SCOUT HIKE

About 50 Gellibrand District scouts and four leaders from 1st, 2nd, 3rd and 4th Altona and 3rd and 4th Williamstown took part in the first-ever district hike during a weekend last month.

The hike was over about 50 kilometres from Gisborne to Firth Park, on the edge of the Lerderderg Gorge.

On the first day the

party covered about 32 kms and during this, 13-year-old Kieran White, of 3rd Williamstown — one of the smallest scouts in the district — carried his full pack over the first 30 kms to pass the test in good style.

The shorter distance the next day was the most popular, because it was through bushland, not along roads.

Parents were waiting at Firth Park, with a barbecue lunch.

SWIMMING
Gellibrand District Inter-troop Swim was at the Newport heated pool last Friday night.

Six troops took part with 4th Williamstown Sea Scouts winning, with 33 points.

Second place went to 3rd Altona, with 25 and third to 2nd Altona, with 21½ points. Star of the night was John Barnett, of 4th Williamstown.

Disabled to meet

A meeting of people interested in setting up a small activities centre for the disabled, will be held in Williamstown on Sunday, June 19.

The meeting will be held at Mrs. Joan Rehes' house at 10 Fowler Street, Newport, at 8 pm.

Anyone wanting to take part is welcome to attend. For more information, contact Mrs. Rehe on 391 4680.

Big art, craft at 'Royal'

The arts and crafts section at the 1977 Royal Melbourne Show, which begins on September 14, will comprise 329 classes.

This means 31 more classes than at last year's Show.

Additional classes include embroidery, knitting, crochet, handmade flowers, miscellaneous craft, school competitions, painting and experimental art and cooking.

In art classes, provision has been made for oil, water or acrylic paintings on any subject.

With the extra space available in the Sir William Angliss Art Centre, exhibitors will be allowed two entries in each class.

Entries in the arts and crafts sections close on July 20.

Schedules and entry forms are available now from the director of the Royal Agricultural Society, Royal Showgrounds, Epsom Road, Ascot Vale, 3032.

Janannie gets Mrs Lalor's support

SIR, — Last Saturday I was given the chance to visit the Janannie Social Club on its open day at the YMCA, in Essex Street, Footscray.

Janannie is involved in providing opportunities for the handicapped, and allowing them to experience a more social life.

The pleasure these people were sharing was evident, as they laughed their way through a game of carpet bowls, made and decorated pots, wielded paint brushes and cooked

tasty sausage rolls for afternoon tea.

These tasks were carried out with the assistance of volunteer helpers.

Not only is Janannie providing opportunities for the handicapped, but it also encourages parents to involve themselves in meeting other parents to discuss shared problems. It also gives them a few hours' break from their daily demands.

One aspect of Janannie that would benefit from volunteer help is picking up and delivering the handicapped to the centre on Saturday afternoons. Drivers are needed so that a roster can be established.

Should any driver be interested in helping, even if it is only for one hour a month, Janannie would greatly appreciate it.

A small 12-person bus — easy for both men and

women to drive — is available for the task. For those not confident enough, the use of private cars is acceptable.

Should any readers be interested in assisting this fine cause, they can contact Mrs. Kelly on 397 8165.

ESTHER LALOR
(Mayoress, of Williamstown).

Farewell to Miss Marrie

Miss Mary (Peg) Marrie, Williamstown's home help supervisor for the past 15 years, will retire later this month.

Miss Marrie will be given a farewell by the Mayoress, Mrs. Esther

Lalor on Tuesday, June 28, at the town hall.

Anyone interested in attending the farewell, which will take the form of a morning coffee, from 10.30 a.m. to noon, should phone Mrs. Lalor on 397 5041.

Theatre plans a new play

Williamstown Little Theatre's next production will be the French comedy called 'Look After Lulu'.

The cast selected last week includes many familiar faces.

Producer is Ted Smeed, who directed Hotel Paradis last year. He was last seen on the stage as the Inspector in 'Loot'.

In the cast are Peter Cheasley, Sallyann Wilson, Robyn McNally, Don Joiner, Geoff Dougall, Ella Bamberg, Lucy Vralou and Helen Stephens, as well as many newcomers.

The play is a mix-up of

rather strange people in improbable situations.

It was written by Noel Coward, based on a play by George Feydeau. The theatre's planned second production for 1977, 'The Price', had to be cancelled because of lack of support.

A new appeal has been made for members and helpers.

Guides chief

A new Commissioner of Girl Guides has been appointed for the division of Werribee, Altona, Altona North, Laverton and Hoppers Crossing.

Second-last Sunday...

With only two Sundays to go before the Uniting Church becomes an official fact, on Wednesday, June 22, plans for associated churches in Williamstown and Newport next Sunday are:

St. John's, Electra Street, Williamstown — 10 am, Mr. E. Mitchell; 7 pm, the Rev. Laurence Slee (Holy communion).

Spotswood Methodist — 10.45 am, Mr. Slee.

St. Stephen's, Melbourne Road, Williamstown — 9.30 am, the Rev. Chester Hodge.

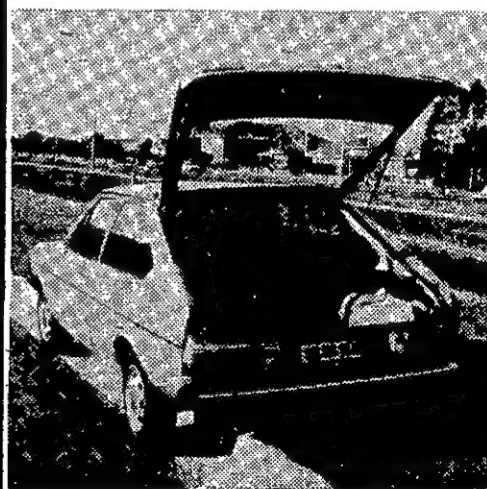

Westgate Church, Wood Street, West Newport — 11 am, Mr. Russell Daney.

Congregational, Stevedore Street, Williamstown — 11 am, the Rev. H. M. Moorhouse.

The official start of the Uniting Church will be marked in Williamstown with a service at St. John's on the evening of June 22.

The service will include watching a telecast from Sydney of the launching of the new church.

Parade may be cut

Douglas Parade may have to be cut at North Road to prevent accidents at the intersection, Mr. Garret Price said on Monday night.

Mr. Price, director of the environment, was commenting on the traffic problems at the junction.

He said the Road Safety and Traffic Authority would not sanction traffic lights at the intersection because the traffic count was not high enough.

"I'm afraid that sooner or later we must look at closing off Douglas Parade to make a T-intersection, with traffic diverting east and west along North Road," he said.

The matter was raised at Williamstown Council with a letter from Mrs. P. Pickett, of Douglas Parade, who said four accidents had occurred at the junction in one week.

Hockey miss for Altona

Altona Hockey Club's A grade team — playing a lowly-placed St. Kilda at the weekend — just missed taking the two points needed for second rung on the ladder.

The match was at St. Kilda and from the B grade game it was clear the uneven playing surface would knock Altona's style of play.

And although down on the ladder, Altona players realised St. Kilda could not be taken lightly, especially after beating Altona in last season's second division final.

Altona's first scoring chance came after 15 minutes of play. A penalty corner shot struck a defender's foot, resulting in a penalty stroke.

But — for the third time in two weeks — the stroke was not converted.

The first score for the game came immediately afterwards, when Bruce Forrester scored from the penalty corner.

The instruction to Altona players before the game had been to attack through right-winger Alan Challis; but with two-thirds of the game over Altona had no clear winners.

Poor defence resulted in St. Kilda netting the equaliser before half time.

In the second term, after several positional changes, play moved more often into Altona's attacking zone.

Maurice Burgess and Brian Smith added good cover on right-side de-

fence. Colin Slow and Geoff Studley sent many balls forward.

After a peppering left-side attack Rick Purser was in a position to take a second goal and give Altona the lead.

But with defeat in sight, St. Kilda became more aggressive.

And it led to several unsettling incidents for Altona, at a time when concentration was necessary. One led to the suspension of an Altona player.

With only two minutes left, St. Kilda gained a free just outside the circle, resulting in a goal.

The overall outcome was that instead of taking second position, Altona still hold sixth; out of third on percentage.

B GRADE

Altona, plagued by injuries, went down 2-1 to St. Kilda, after a run of wins.

Altona's goal scorer was Garry Studley.

In C GRADE, Altona drew with MUHC, 2-all. Goals: P. Aitken and R. Healey. Best: I. McLennan and G. Smith.

The UNDER 12 team beat Glenroy 5-1. Goals: Yomalo, Johnson 2; Casser. Best: Casser, Yomalo and Ward.

There will be no play this weekend, due to the Queens Birthday Carnival, at Elsternwick Park.

Triumph for junior side

Altona Lacrosse Club's under-14 team trounced unbeaten side, Malvern, 10-7 on Saturday.

Goals: Puopolo 4, Chirichello, Abraham 2, Frydas, Dekusel 2, Pieras, Frydas, Nicholls. Best: Puopolo, Chirichello, Nicholls.

The B grade side played with nine men, and lost to Eltham 13-11.

Goals: Frydas 9, Haniver, Chirichello. Best: Frydas, Sharpe, Haniver.

Caulfield was too good for Altona A grade. The score was 19-4.

Goals: Doerner 2, Gerrard, Swainger. Best: Burke, Frost, Hamel.

The under 16s had their third draw in three weeks. They met Surrey Park and drew 10-10.

Goals: Plant 4, Nicholls 3, Gerrard 2, Johnson. Best: Plant, Gerrard, Nicholls.

The under 12s drew 7

Wests win 2

West Newport Football Club's senior first and second division teams had easy, percentage-boosting wins last Saturday.

The first division side kicked 20.11 (131), Sunshine Heights 4.5 (29).

And the second division team piled on 28.19 (187) to Sunshine Heights 0.4 (4).

In the first division game, although Loft Reserve looked like a glue-pot, West handled the ball well.

This and superior pace gave West complete domination and at quarter time they led by 26 points, building this to a 79-point lead at the big break.

Goals: Orr 6, Cavanagh 5, W. Chitty, Menzies 3, Carrington 2, Leighton.

Best: Carrington, Cavanagh, W. Chitty, Menzies, Orr, Thompson.

In the second division game, Sunshine Heights could field only 14 players. An official stripped for the first time in 12 years to avert a forfeit.

Goals: Jones 6, Browne-Kerr 5, Mackie, Mayes, Quarrier 3, Cain, Nowell 2, Civitareale, Dean, Karazakids, Schenck.

Best: Dean, Jones, Mackie, Mayes, Quarrier, Schenck.

LAVERTON DOWN IN BAD DISPLAY

In a woeful display of football, Laverton seniors were soundly beaten by a team that showed more desire and determination for the ball.

There were only a few good matches of play from Laverton as in the 1st half they were hand-balling to the player running past and creating the play-on game. This resulted in Laverton being right up with their opponents at half-time.

But when they took the field for the third quarter they fell in a heap and W'town CYMS ran right away with the game.

Overall it was a very poor display from Laverton as they only tried for two quarters. The players must learn that it takes four quarters of determination and desire to win a game of football.

Laverton:
1.1 3.1 4.2 6.5 (41)
W'town CYMS:
3.5 7.9 13.13 17.22 (124)
Goals: I. Taylor 2, J. Mitchell, A. Forbes, G. Hughes, D. Jones.
Best: G. Riggs, I. Taylor, B. Houghton, G. Jones, G. Hughes, S. MacFadyen.

RESERVES

Laverton in a very disappointing display were completely outclassed last Saturday when they were easily beaten by W'town CYMS.

Like the seniors, they did not apply themselves for the whole four quarters and as a result they were easily defeated.

Laverton: 2.8 (20)
W'town CYMS: 18.19 (127)
Goals: N. Charman, G. MacKey.
Best: K. Webb, P. Strange, P. Hudson, R. Nash, J. MacFadyen, P. Corietto.

UNDER-17s.

Laverton completely outclassed their opponents last Sunday when they ran out easy winners over Sunshine Heights by 109 points.

An incident early in the third quarter which sent captain Cliff Keenan to hospital seemed to spur the Laverton team on, as in the last half they stormed home kicking 14 goals.

After last week's slump when they were thrashed by W'town United, Laverton improved their game immensely.

They were going in hard with their hips and shoulders and they showed more determination when they were competing for the ball.

Overall Sunshine Heights were no match for Laverton who took complete control of the game especially in the second half.

Laverton: 3.5 5.10 10.14 19.17 (131)
Sunshine Heights: 1.2 2.3 2.4 3.4 (22)

Goals: A. White 5, M. Gundy 3, T. Leeson 2, D. Gundy 2, M. De Santa Ana 2, C. Keenan, D. Mitchell, R. Parkhill, R. Grist, K. Gutterston.

Best: J. O'Connell, T. Leeson, D. Mitchell, W. Byrne, G. Hayman, M. Patterson, I. Chesterman, R. Grist, P. Dicks.

UNDER-15s.

In a game that lacked any style or polish at all, Laverton defeated W'town Juniors by 49 points.

Except for a three-goal burst early in the first quarter, Laverton took no interest in the game at all.

Players were hanging back and were not backing up their team mates. Under the bad playing conditions, which were very muddy and slippery, Laverton were making silly mistakes with short passes in the back line and handballing to a player under pressure.

The only quarter in which they did show any strength was the last where they kept W'town scoreless.

Overall it was not a good game from Laverton at all and with the season now half over and this team lying second on the ladder they will want to improve 100 per cent on the way they have been playing in recent games if they want to get anywhere in the finals.

The talent is certainly there but the boys now want to wake up and apply themselves to a full four quarters of football.

Laverton:
5.1 7.4 10.5 13.14 (92)
W'town Juniors:
0.5 3.6 6.7 6.7 (43)

UNDER-15s

Goals: G. Radford 4, G. McKenzie 2, B. Murphy, M. McCloy, M. Cooper, M. Freeman, C. Norton, S. Wright, R. Douglas.

Best: M. Freeman, M. Hartshorn, M. McCloy, W. Delaney, G. Radford, C. Norton, A. Monaghan, R. Douglas.

UNDER 13's.

Laverton were completely outclassed by a much bigger and determined side in W'ton Juniors.

Although soundly beaten, they did put in a good second half where they kept their opponents down to only two goals.

There were only a few good triers for Laverton but unfortunately they were not backed up by the rest of their team mates.

One problem which must be ironed out for the remaining games of the season is that the boys must learn to punch the ball away from their opponents if they are playing from behind.

Laverton: 0.1 0.1 1.1 2.1 13
W'ton Jun. 3.1 7.3 8.6 9.8 62
Goals: S. Cooke, W. Bult.

Best: G. Gordon, S. Cooke, G. Griffin, A. Wallace, M. Ansett.

UNDER 11's.

With four Under-10 boys in the side to make up the numbers, Norm Cooke boys took complete control of the game and did not give their opponents any chance at all.

This was by far the best exhibition of football that these boys have put on this year. The boys were playing from in front and they were teaming well.

It was a great win for the boys and if they continue to play like they did in this game they will certainly win many more matches and possibly sneak into the final four.

Laverton: 1.0 2.1 3.2 4.2 26
N. Cent. 0.0 0.0 1.1 2
Goals: M. McNally 2, White, Maddocks.

Best: White, Maddocks, Cox, Smith, Cooper, McNally.

UNDER 10's.

Laverton came through for their fourth win of the season last Sunday and they are now knocking on the door of the final four.

The boys played well all day and couldn't put a foot wrong. Their team work was good and they took complete control of the game right from the first bounce. Overall it was a good win from a very determined and keen team of young boys.

Laverton:
2.3 4.6 7.7 8.9 (57)
Hoppers Crossing B
0.1 0.1 0.1 0.1 (1)

Goals: P. Keenan 3, D. Outen 2, M. Ferguson 2, P. Hardisty.

Seagulls leave bottom rung

The Seagulls won their second game for the season on Sunday — over one of the newer VFA sides, Caulfield — and moved off the bottom rung of the ladder.

With a good second-half of the season ahead, including five home games, most supporters believe the danger period is over.

The game opened on Sunday with Caulfield going for goal after goal at the tennis court end and the Williamstown defence as hard-pressed.

John Nash scored the only goal for the Seagulls.

The quarter time, Caulfield led by 17 points and the situation looked bad for the home side.

But the Seagulls found a new lease of life into the second quarter and Bob Percy to Brian Lowe resulted in a goal.

Lowe goaled again and the Williamstown supporters found new heart.

The fifth for Williamstown came from Mick Mahoney, at centre half-forward, Peter Gardner goaled and the Seagulls hit the front.

Caulfield replied with a goal to take a six-point lead but Mahoney found the tall timbers again and the scores levelled.

At half time-Williamstown, held a handy lead, with the scores at 52-47.

The third term opened with Caulfield going back into attack and notching three quick goals. A delay without a score either end, then Caulfield added another major.

Mark Cross replied with a goal for Williamstown and the position again

started to look a little brighter.

Caulfield looked dangerous in attack, but Frank Porcivina and Mal Allen saved the day in the Seagulls' defence.

At three-quarter time, it was anyone's game, with Williamstown trailing Caulfield by only two points.

The final term was a nail-biter, with the lead swinging back and forwards in the opening stages.

Caulfield made two bad mistakes when players back-handed to Peter Gardner, who said "thanks" and goaled both times.

De Van Der Schueren kicked his first goal for his new side to take a lead.

In the last 10 minutes the Seagulls clicked in to place and finished winners by 11 points.

Quarter-by-quarter: WILLIAMSTOWN 1.1, 8.4, 13.6, 20.11 (131).

CAULFIELD 3.6, 6.11, 12.14, 16.14 (110).

Williamstown best — Fanning, Mahoney, Allen, Lowe, Gardner.

Williamstown goals — Lowe 6, Gardner, Mahoney 4, Cross, Nash 2, Briner, De Van Der Schueren.

But A grade player Geoff Spicer fractured his left forearm in the game and B grader "Skull" Miller broke his collarbone.

Playing away, the A grade side took a commanding lead in the third quarter and won 27-18.

Vikings couldn't match Killas

Any thoughts that Altona had of beating top FDL side Kingsville on Saturday were dashed within 30 seconds of the start of play, when the Killas had two goals on the board.

Although the Vikings fought back and tried hard all day, they never recovered from the early onslaught.

Kingsville were too big, too strong, and too talented for an Altona team weakened by the absence of several top players.

With coach Mal Tisdale, assistant coach Dave Chalmers, tall ruckmen Ian McLeod and Mick Calaz and utility player Henry Zapart out injured, and Geoff Blokkeerus and the high flying Enzo Valente (unavailable) the Vikings lacked the manpower to even have an outside chance of matching Kingsville.

It is hard to criticise the Altona team, they gave everything they had and even outscored the home team in the third quarter.

Geoff Bebed played his heart out and was ably assisted by Ron Lawson, centre, playing his first senior game for some years. Mick O'Connor continued his good form on a back flank, and Herby Pride impressed in his first game against a very talented centre half forward.

To say that the FDL is a harder league than the WSFL is an understatement, even Altona's champion side of 1975 would have been found wanting against the top FDL teams.

Scores: Altona City 2-1, 3-2, 8-8, 9-10 (64).

Kingsville 5-5, 13-11, 18-13, 27-22 (184).

Best: R. Lawson, G. Bebed, M. O'Connor, R. Zapart, W. Jones, H. Pride.

Goals: A. Walgers 3, Bebed 2, G. Knight, Zapart, M. Donnelly, Jones.

Reserves: Replacements for the senior team weakened the Viking Reserves, and they made very little impression on Kingsville.

Some of Altona's players are playing well below their capabilities; the trouble is that they are not used to being pressured in every game and, like the senior team, will have to adapt to the FDL style if they are to succeed.

Scores: Altona City 2-13 (25); Kingsville 16-11 (107).

Best: W. Gilpin, P. Pobega, C. Marsich, Moc Tisdale.

Goals: Gilpin, G. Sorrell.

Under 17: 'Chatta's Champs' of last week became 'Chumps' as they left their improved form home when they played Williamstown United.

Scores: Altona City 6-3 (39); Williamstown United 22-19 (157).

Best: Peter Stephens, Neil Condon.

Under 15: The boys continued their scoring orgy of last week. Tony Rocco starred with 15 goals.

Scores: Altona City 30.13 (193) d. Hoppers Crossing 0.1 (1). Best: A. Real team effort. Goals A. Rocco 15, W. Smith, D. O'Brien 6 each, C. Brown 2, M. Scott 1.

Under 13: "Tom's Terrors" found that straight

kicking wins games. They look good finals prospects.

Scores: Altona City 5.0 (30) d. Hoppers Crossing 2.5 (17).

Best: P. Davies, S. McGraw, C. Skerry, D. Krol, R. Schubach.

Goals: C. Burkitt, M. Joyce, D. Krol, C. Paten, G. McFarlane.

Under 12: Yet another win for the junior division, this time Braybrook CYC were the victims.

Scores: Altona City, 4.7 (31) Braybrook CYC 3.0 (18).

Best: D. Cooper, P. Heyden, D. Cody.

Goals: A. Clarke 2, D. Cron, P. Burns.

Under 10: "McGarry's Midgets" kept Windermere scoreless and made it four out of four for the Viking junior teams.

Scores: Altona City, 4-1 (25) d. Windermere nil.

Best: A. Taylor, W. Girvan, J. Ferguson, T. McGowan.

Goals: C. Short, R. Hunt, A. Taylor, D. Smith.

All WSFL teams will have a bye this weekend. The seniors and reserves will be at home to last years premiers, Seddon. Viking supporters are reminded that this year "Supa Dance" is scheduled for Friday, August 5th.
